### Installation Considerations

Please be mindful of the following considerations in addition to the purchase of a unit:

- Installation costs
- Maintenance costs
  - Filter replacement and frequency of replacement.
  - Electric power for refrigeration, digital counters, etc.

Brand: Elkay - <https://www.elkay.com/us/en/drinking-water/bottle-filling-stations.html>

<ul style="list-style-type: none"> <li>• Station needs to be placed near existing water source</li> <li>• Most model types have refrigeration and filtration options</li> <li>• Installation service available if ordered direct from Elkay (but potentially more expensive for unit purchase)</li> </ul>	<ul style="list-style-type: none"> <li>• Most models have an electronic counter showing # of disposable plastic water bottles saved</li> <li>• Used in various schools/public settings around California</li> <li>• Easy and Affordable</li> </ul>
