PART I: GENERAL

A. This project is partially funded by grant from the Natural Resources Construction Services. The Bidders and Contractor are required to comply with federally mandated rules and requirements. Special attention is directed to Appendix B of the Specifications and the Federal Requirements Bid Forms included in this package.

B. **Requirement.** A Contractor must take all necessary, affirmative steps to assure that small and minority businesses, women's business enterprises, and labor area surplus firms are used when possible. 2 C.F.R. § 200.321. ***These steps are in addition to full and open competition*** and must include, at a minimum, the following six affirmative steps:

1. *Solicitation Lists*. The Contractor must place small and minority businesses and women's business enterprises on solicitation lists.

2. *Solicitations*. The Contractor must assure that it solicits small and minority businesses and women's business enterprises whenever they are potential sources.

3. *Dividing Requirements*. The Contractor must divide total requirements, *when economically feasible*, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises.

4. *Delivery Schedules*. The Contractor must establish delivery schedules, *where the requirement permits*, which encourage participation by small and minority businesses and women's business enterprises.

5. Obtaining Assistance. The Contractor must use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

6. *Prime Contractor Requirements*. The Contractor must require the prime contractor, if subcontracts are anticipated or let, to take the five affirmative steps described.

C. The Santa Clara Valley Water District (District) has a Small Business Outreach Program, which establishes a thirty (30) percent minimum participation goal. To be eligible for award of a Contract, each Bidder must comply with the District's Small Business Outreach Program requirements, be a responsible Bidder, and submit a responsive bid.

To be counted towards meeting the District's Small Business Outreach participation goal, Small/Micro Business must be certified by California Department of General Services or be a Federal recognized SMBE/WBE or Labor Area Surplus Firm. http://www.pd.dgs.ca.gov Bidders are encouraged to use the services and assistance of the California Department of General Services and organizations such as the Small Business Administration and Minority Business Development Agency of the Department of Commerce.

PART II: COMPLIANCE WITH SMALL MINORITY BUSINESS (SMBE), WOMEN'S BUSINESS (WBE), AND LABOR AREA SURPLUS FIRMS OUTREACH PROGRAM REQUIREMENTS

Each Bidder must complete this Bid Form and return it with the Bid.

The undersigned Bidder complies with the District's Small Business Outreach Program as indicated below. At least one box should be checked.

☐ 1. Bidder is qualified for a Small Business preference because it is a Certified Small Business.

☐ 2. Bidder is qualified for a Small Business preference because it has subcontracted:

☐ 30% ☐ 40% ☐ 50% of this job to Certified SMBE, WBE and Labor Area Surplus Businesses.

☒ 3. Bidder has made a Good Faith Effort to solicit CA DGS Small/Micro Business and Federal SMBE, WBE, and Labor Area Surplus Firms participation as demonstrated by documentation to be submitted by 5 p.m. on the 2nd day after Bid opening. Timely submission of these Forms is considered **material** by the District. Submission of documentation is only required from the firms submitting the three apparent low bids (see REQUIREMENTS FOR DEMONSTRATING GOOD FAITH EFFORT, Part IV. herein for documentation requirements).

PART III: CALCULATING THE SMALL BUSINESS PREFERENCE

A. Bidders receive a preference based on the following criteria:

1. Certified SMBE, WBE, and Labor Area Surplus Firms Business Bidders receive a 5 percent preference.

2. Non-SMBE, WBE, and Labor Area Surplus Firms Business Bidders with SMBE, WBE, and Labor Area Surplus Firms Business participation of:

   - 30% to 39% receive a 3% preference.
   - 40% to 49% receive a 4% preference.
   - 50% to 100% receive a 5% preference.

B. For purposes of calculating the Small Business preference, only the Base Bid amount (which excludes Supplemental and Additive/Deductive Bid Items) will be used.

The preference is calculated by subtracting the appropriate percent (3%, 4%, or 5%) of the low Base Bid from the qualifying firm's Total Bid.

Example 1:

Apparent low Bid (not a Small Business)	$600,000		Small/Micro Business Bid	$615,000
Total of Supplemental Bid Items _			5% Small Business Preference* _	-$28,000
Base Bid	$560,000		New apparent low bid	$587,000

*Small Business preference amount: $560,000 x .05 = $28,000

Example 2:

Apparent low Bid (not a Small Business)	$600,000		Small/Micro Business Bid	$615,000
Total of Supplemental Bid Items _	-$40,000		5% Small Business Preference* _	-$28,000
Base Bid	$560,000		New apparent low bid	$587,000

*Small Business preference amount: $560,000 x .05 = $28,000

C. The preference is only applied to determine the low bid. The priority for applying the preference will be in the following order:

1. SMBE, WBE, and Labor Area Surplus Firms submitting the lowest bid.

2. Non-Small Business subcontracting with the highest percent of SMBE, WBE, and Labor Area Surplus Firms submitting the lowest bid.

PART IV: REQUIREMENTS FOR DEMONSTRATING GOOD FAITH EFFORT

Bidders must submit documentation demonstrating that a Good Faith Effort was made. For further information and/or assistance, contact the Capital Program Planning and Analysis Unit Manager at (408) 630-2682.

No substitution of SMBE, WBE, and Labor Area Surplus Firms Business listed on the Affidavit will be made at any time without the written consent of the District. Substitution requests will only be considered for the reasons stated in Public Contract Code §4107. If a SMBE, WBE, and Labor Area Surplus Firms Business subcontractor/supplier substitution is requested, the Contractor must make a Good Faith Effort to replace the original firm with another SMBE, WBE, and Labor Area Surplus Firms subcontractor/supplier. Written documentation of such efforts must accompany each substitution request.

A. The Bidder(s) submitting the three apparent low bids must provide documentation of Good Faith Effort by 5 p.m. on the 2nd day after the Bid opening. Timely submission of these Forms is considered **material** by the District.

B. The Contractor is required to submit evidence of the six Affirmative Steps listed in Part I: GENERAL.

C. The District strongly recommends compliance with all 8 items listed below.

D. All documentation must be specific with verifiable names, addresses, phone numbers, dates, etc., to demonstrate that the Bidder made a Good Faith Effort to obtain Small Business participation in accordance with the criteria listed below and prior to the time bids are opened.

1. Attend the pre-bid meeting conducted by the District, for this project.

2. Efforts made to select portions of the work proposed to be performed by SMBE, WBE, and Labor Area Surplus Firms in order to increase the likelihood of achieving the participation goal (including, where appropriate, breaking down contracts into economically feasible units to facilitate Small Business participation).

3. Advertise, not less than 10 calendar days before the date bids are due, in one or more daily or weekly general circulation media, trade association publications, minority or trade oriented publications, trade journals, or minority/women focused media, soliciting bids from subcontractors/suppliers/vendors for participation in the project.

4. Written documentation that the Bidder contacted a reasonable number of Federal DGS-certified SMBE, WBE, and Labor Area Surplus Firms to solicit interest for a specific portion(s) of the project in sufficient time to allow these businesses to obtain information on the project and consider bidding on work, which is to be performed by other than the prime contractor.

Verbal solicitations will be accepted, provided they are followed by written communication confirming the offer to Bid and are specific as to names, scope of work, etc.

5. Follow up initial solicitations of interest by contacting the SMBE, WBE, and Labor Area Surplus Firms to determine with certainty if they are interested in performing specific items of the project.

6. Efforts made to provide interested SMBE, WBE, and Labor Area Surplus Firms with adequate information about the plans, specifications, and requirements of the project.

7. Efforts made to negotiate in good faith with interested SMBE, WBE, and Labor Area Surplus Firms and not rejecting SMBE, WBE, and Labor Area Surplus Firms as unqualified without sound reasons. Provide a list of all SMBE, WBE, and Labor Area Surplus Firms submitting a Bid that was not used stating the reason for rejection.

8. Efforts made to assist interested SMBE, WBE, and Labor Area Surplus Firms in securing bonding, lines of credit, or insurance. This may include referral to local agencies specifically set up for this purpose.

PART V: SMBE, WBE, AND LABOR AREA SURPLUS FIRMS BUSINESS ENTERPRISE UTILIZATION REPORTING REQUIREMENT

Contractor payments to SMBE, WBE, and Labor Area Surplus Firms providing labor, services, materials, equipment, or supplies, including subcontractors, will be monitored monthly throughout the project. The Contractor is required to submit a monthly and final SMBE, WBE, and Labor Area Surplus Firms Utilization Report with the request for progress payments. Forms and instructions can be downloaded from the District's website at www.valleywater.org/construction. Sample forms and instructions are included in the Contract Documents, Appendix A.

Public Contract Code (PCC) Sections 2200-2208 are known as the Iran Contracting Act of 2010 and prohibit public entities from contracting with companies that have specified business activities in Iran's petroleum sector. Companies seeking to bid on state or local government contracts are required to certify that they are not engaged in developing Iran's petroleum resources.

Prior to bidding on, submitting a proposal or executing a contract or renewal for a Santa Clara Valley Water District contract for goods or services of one million dollars ($1,000,000 or more), a person (vendor, firm, corporation, etc.) must either: a) certify it is **not** on the current list of persons engaged in investment activities in Iran created by the California Department of General Services ("DGS") pursuant to Public Contract Code Section 2203(b) and is not a financial institution extending twenty million dollars ($20,000,000) or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code Section 2203(c) or (d). The DGS list is posted online at: (www.dgs.ca.gov, search "Iran Contracting Act List").
