

**UPPER LLAGAS CREEK FLOOD PROTECTION PROJECT
PHASE 2A**

Project No. 26174052

Contract No. C0665

- 1. Notice. Due to the County of Santa Clara Public Health Officer's Order, the Santa Clara Valley Water District offices remain closed to the public until further notice.**

Notice is hereby given that sealed Bids will be received by the Construction Program of the Santa Clara Valley Water District (District), delivered either by a third party carrier such as FED EX, UPS, DHL, Overnight, Golden State Overnight, etc. or by hand delivery, at the District's Winfield Warehouse Building located at 5905 Winfield Boulevard, San Jose, California 95123-2428 only between the hours of 1:00 p.m. - 2:00 p.m. on **Wednesday, February 24, 2021**, for furnishing all material and performing all work necessary for construction of Phase 2A of the Upper Llagas Creek Flood Protection Project, within the City of Morgan Hill, California.

NO BIDS WILL BE ACCEPTED VIA USPS (US MAIL).

Additional information and Instructions to Bidders are posted on the District's Construction Administration webpage: <https://www.valleywater.org/construction>.

- 2. California State Department of Industrial Relations Contractor and Subcontractor Registration Requirements.**

California Labor Code Section 1771.1 requires:

A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, unless currently registered and qualified to perform public work pursuant to Section 1725.5 of the California Labor Code.

An inadvertent error in listing a subcontractor who is not registered pursuant to Section 1725.5 in a bid proposal shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that any of the following apply:

- A. The subcontractor is registered prior to the bid opening.
- B. Within 24 hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee.
- C. The subcontractor is replaced by another registered subcontractor pursuant to Section 4107 of the Public Contract Code.

3. Summary of Work

- A. Project Description.** The Project scope, in accordance with the Contract Documents, includes the following:
- Full compliance with federal, state, and local laws, ordinances, permits, as required to construct the Project;
 - Full compliance with the terms and conditions of various Resource Agency permits obtained for the Project;
 - Furnish a licensed biologist, and licensed geologist as required for the Project;
 - Provide an arborist certified by the International Society of Arboriculture (ISA) to oversee tree pruning and removal operations.
 - Compliance with NPDES General Permit, including SWPPP preparation, and installation of Best Management Practices (BMP's);
 - Installation of a temporary sound barrier to reduce construction noise to the surrounding businesses and residences;
 - Implementation of an excavated materials management plan, including but not limited to soil stockpiling, soil testing, water quality testing, and legal disposal;
 - Proper excavation, handling, and legal disposal of contaminated materials, potentially naturally occurring asbestos containing materials, including hazardous materials, if encountered;
 - Control of water, including the design, implementation, and maintenance of dewatering facilities;
 - Mobilization, including, but not limited to the installation of fully operational temporary trailers/office facilities;
 - Demobilization, including, but not limited to the removal and/or legal disposal of all temporary facilities;
 - Support Public Outreach efforts;
 - Implement and maintain public safety measures, including, but not limited to installation of temporary fencing at the perimeter of the work areas;
 - Clearing and grubbing within the Project limits, including demolition, the removal of trees, vegetation, concrete, and other miscellaneous items;
 - Surveying, grade control, and construction staking;
 - Tunnel construction through the existing geographic hill within the City of Morgan Hill (locally known as "Nob Hill"), including the Tunnel Inlet and Outlet Portals and overburden grouting for ground improvement;

- Tunnel construction instrumentation and monitoring;
- A Licensed California Blaster is required to oversee all Tunnel blasting operations, including the Contractor paying all fees to obtain a permit from the County of Santa Clara for the use of explosives;
- Structure removal or demolition, and legal disposal of miscellaneous structures;
- Construct the Hale Avenue Extension improvements from approximately Warren Avenue to approximately 300 feet north of West Main Avenue;
- Excavation and general fill, at varying slopes, and removal and replacement of unsuitable material;
- Hauling and legal disposal of materials;
- Constructing and surfacing aggregate base maintenance roads;
- Street reconstruction as required to construct the Project;
- A C-57 licensed contractor shall conduct all subsurface drilling and abandonment of existing wells, including monitoring wells as shown within the Project limits;
- Modifying and constructing storm drain outfalls and connections of existing and new storm drain culverts, including drop inlets and outlets;
- Provide all the necessary traffic control, traffic control signage, devices, etc. as required for temporary road work, including closures;
- Install temporary pedestrian detours, including all materials, concrete, fencing, signage, as required to safely detour pedestrians;
- Construct and Install temporary driveways, etc. to private residents and local businesses to maintain ingress-egress at all times throughout the Project as required to complete the work;
- Furnishing and Installation of permanent fencing, bollards, and gates;
- Furnishing and Installation of pre-cast reinforced concrete box culverts;
- Culvert modifications, including sloped protection barrier device at Ciolino Avenue;
- Cast-in-place reinforced concrete structures including, but not limited to transition structures, wing walls, culvert access structures, culvert inlets, and culvert outlets, including the Dewitt Creek 72" storm drain RCP confluence at Ciolino Avenue;
- Replace or install various concrete driveways, sidewalks, curbs and gutters;
- Existing bridge culvert structural modifications;
- Furnishing and Installation of rock slope protection;

- Utility coordination and relocations including, but not limited to potable water line facilities, sewer facilities, overhead and underground electrical facilities, telecommunication lines/facilities, and storm drain facilities;
- Coordinate work activities with various utility companies or owners needed to relocate their facilities as required for the Project;
- Non-native plant control shall be conducted by a Contractor or Subcontractor with a current California Pesticide Application license and Applicator Business license;
- Revegetation (hydroseeding);
- Soils testing and hazardous materials disposal including potentially naturally occurring asbestos testing;
- Other miscellaneous construction work and items necessary to satisfactorily complete the Project work.

B. Sole Source Products. None.

4. **Contract Time.** Time limit for the completion of the Work is **1050** calendar days. See Contract Documents, Special Provisions, Article 12.04. Time Allowance for Completion of Work for Milestones and Contract Times.
5. **Liquidated Damages.** See Standard Provisions, Liquidated Damages, Article 5.08 and Special Provisions, Liquidated Damages, Article 12.07 of the Contract Documents for requirements regarding Liquidated Damages.
6. **Estimated Cost.** The estimated cost of the Project is between \$47 million and \$52 million. This estimate is intended to serve merely as an indication of the magnitude of the Work. Neither the Bidder(s) nor the Contractor will be entitled to pursue a claim or be compensated due to variance in the stated estimated cost range.

A. Additive/Deductive Bid Items. [NOT USED].

B. Supplemental Bid Items. These Bid Items may or may not be required. They may be deleted entirely or in part, by deductive change order(s), at the sole discretion of the District. The sum of the Total Base Bid and the Total Supplemental Bid will be used to determine the lowest Bid price.

7. **Contractor's License Requirement.** The Bidder must possess a current **Class A** Contractor's license issued by the California Department of Consumer Affairs, Contractor's State License Board when the Bid is submitted. Regardless of whether a subcontractor must be identified at the time of Bid, each subcontractor must also be properly licensed to perform its scope of Work. In addition, the Bidder or subcontractor must possess an International Society of Arboriculture (ISA) Certification, a C-57 license, a current California Blaster's License, a California Pesticide Application license, and Applicator Business license. All licenses must be in effect when the Bid is submitted.

8. **Pre-Bid Conference and Site Visit.** A Pre-Bid conference/site visit will be conducted by the District on **Wednesday, February 3, 2021**. The Pre-Bid conference/site visit will convene at 10:00 a.m. (by District time), at the vacant parking lot (APN 764-16-028) located near the intersection of West Main Avenue and Hale Avenue within the City of Morgan Hill, CA. Anyone not in attendance at the meeting by the time indicated above will be considered late and as having not attended this **MANDATORY** Pre-Bid conference/site visit. A Bid submitted by any Bidder not represented at the entire mandatory Pre-Bid conference/site visit will not be considered and its Bid will be returned unopened. Attendance at the Pre-Bid conference/site visit by subcontractors is not required.

Attendance by the Bidder at the Pre-Bid conference/site visit is:

- Mandatory
 Optional

The objective of the Pre-Bid conference/site visit is to familiarize prospective Bidders with the site; no additional site visits will be allowed. Please confirm your intent to attend the Pre-Bid conference/site visit 24 hours in advance by sending an email to scvwdplanroom@valleywater.org.

Additional information regarding the Pre-Bid conference/site showing will be sent to all prospective Bidders who confirm their intention to attend.

In response to the COVID-19 pandemic, the District will require that all participants adhere to the orders of Social Distancing. All persons attending the Pre-Bid conference/site visit are required to adhere to the orders of Social Distancing and are also required to bring and wear the appropriate Personal Protection Equipment (PPE), i.e., protective face covering, in order to be allowed entrance onto the site and to remain on the site.

Reasonable efforts will be made to accommodate persons with disabilities wishing to attend the Pre-Bid conference/site visit. Please request accommodations when confirming attendance.

9. **Availability of Bid Documents**

Due to the County of Santa Clara Public Health Officer's Order, District offices will remain closed to the public until further notice. The Contract Documents are only available in electronic (PDF) format. The electronic version is free and will be transferred via file transfer appliance (FTA) site.

To Request Electronic Contract Documents:

Request Form and information available online:

- Website: <https://www.valleywater.org/construction>
- Email: scvwdplanroom@valleywater.org

10. **Inquiries.** The Bidder must submit all requests for clarification, or interpretation of the Bid Documents in accordance with the requirements stated in Instructions to Bidders, paragraph #7. Questions During Bidding. Written questions must be directed to the Contracts Administrator at scvwdplanroom@valleywater.org and submitted at least nine (9) calendar days before the deadline for receipt of Bids.

The District may issue written Addenda as appropriate for clarification or other purposes during the bidding period. Addendum notification(s) will be sent to each planholder at the email address provided by the contractor for the planholders list and addenda will be posted on the District's website at <https://www.valleywater.org/construction>.

- A. **Project Manager.** The District's project manager for this Project is Ms. Collette Frawley.
- B. **Process Questions.** For questions regarding the bid process, please contact the District Plan Room at scvwdplanroom@valleywater.org

11. **Prevailing Wage Requirements**

- A. Workers employed on this Project must be paid at rates at least equal to the prevailing wage rates as determined by the State of California Department of Industrial Relations pursuant to Section 1770 *et seq.* of the Labor Code. Said wage rates are incorporated herein by reference and are available on the State of California Department of Industrial Relations website at: <http://www.dir.ca.gov/>. See Standard Provisions, Prevailing Wages Article 4.04. through Apprentices Article 4.06. for related requirements.

Due to the County of Santa Clara Public Health Officer's Order, District offices will remain closed to the public until further notice. The wage rates are therefore not currently available for review at District offices.

- B. This Project is subject to compliance monitoring and enforcement by the State of California Department of Industrial Relations. The Contractor and subcontractors must furnish the records specified in Section 1776 directly to the Labor Commissioner, in the following manner: monthly, in a format prescribed by the Labor Commissioner.

12. **Bid Proposal Submittal.** All Bids must be submitted in sealed envelopes addressed to the Santa Clara Valley Water District. Attention: Construction Programs and state the Project name and Project number on the outside of the sealed envelope. Each Bid must be submitted on the prescribed Bid Forms. All information on Bid Forms must be completed in ink.

- A. **Bid Submittal Delivery.** Bidders are allowed to submit a bid proposal by third party carrier or by hand delivery.

THIRD PARTY CARRIER such as: FEDEX, UPS, DHL, CA Overnight, Golden State Overnight, etc., and must address the submittal in accordance with instructions stated in this paragraph 12. Any Proposal received after 2 p.m. will not be considered. Late Bids will be returned unopened.

HAND DELIVERY shall only be between the hours of 1:00 p.m. - 2:00 p.m. on the bid due date, at the Winfield Warehouse located at 5905 Winfield Boulevard, San Jose, CA 95123. Upon entrance through the gate, turn left towards the warehouse building. Bid submittal shall be delivered at a drop off box, marked "Bid/Submittal Drop Box," located in front of the warehouse entrance door. Each Bidder must take a picture using its cellphone showing the "Official Bid Clock" timer as proof of delivery. Bidders must observe all Public Health Officers orders and wear proper face covering when dropping off your Bid.

Any Proposal received after 2 p.m. will not be considered. Late Bids will be returned unopened.

NO BIDS WILL BE ACCEPTED VIA USPS (US MAIL). USPS (US Mail) does not deliver to 5905 Winfield Boulevard.

Address the outside delivery envelope as follows:

Santa Clara Valley Water District
Attention: Construction Contracts and Support Unit
C0665 – Upper Llagas Creek Flood Protection Project - Phase 2A
5905 Winfield Boulevard
San Jose, CA 95123-2428

13. **Bid Opening.** For the duration of the COVID-19 pandemic, to ensure the safety of the public and District employees and requisite social distancing requirements by Order of the County of Santa Clara Public Health Officer, the opening of bids shall be made available to the public only by video teleconference, live-stream, on the date stated in this Notice to Bidders, paragraph #1. Notice, above, at **2:30 p.m.** The results will be posted on the District's website at <https://www.valleywater.org/construction> no later than close of business the following day.

- A. Join Zoom Meeting.** Any person interested in attending the live-stream bid opening, may do so by accessing the link below, or join via phone by calling the toll-free number listed below:

- 14. Errors or Discrepancies in the Bids.** The District Board of Directors reserves the right to reject any and all Bid Proposals and to waive minor defects or irregularities in any submitted Bid Form(s).
- 15. Bidder's Security.** Each Proposal must be accompanied by cash, a certified check, cashier's check, or an original Bidder's bond in the sum of not less than 10 percent of the total aggregate of the Proposal including all additive and supplemental Bid items, if any. Said checks or bond must be made payable to the Santa Clara Valley Water District.
- 16. Contract Retention**
- The Contract Retention for this Project is established at five (5) percent of the Contract Price.
- The Contract Retention for this Project is established at ten (10) percent of the Contract Price. The Board of Directors has made a finding that the Project is substantially complex and therefore requires retention higher than five percent.
- 17. Substitution of Securities.** The Contractor may, at the Contractor's request and expense substitute securities equivalent to the amount withheld by District to ensure the performance of the contract, in accordance with Public Contract Code Section 22300.

- 18. Small Business Preference. [NOT USED].**
- 19. Equal Opportunity.** The District is an equal opportunity employer and all Contractors of District projects are to have and follow a policy of equal opportunity including adherence to all state and federal laws and regulations, including the Federal Equal Opportunity Clause.

By order of the Board of Directors of the Santa Clara Valley Water District, San Jose, California, on Tuesday, January 12, 2021.

ATTEST: MICHELE L. KING, CMC

Clerk, Board of Directors
