SAVE WATER

SAVE MONEY

Santa Clara Valley  
Water District 

The Santa Clara Valley Water District provides Silicon Valley with safe, clean water for a healthy life, environment and economy.

### Water Efficient Technology (WET) Rebate

Offers up to \$50,000 for the installation of equipment that results in measurable water savings for a business or institution.

### Submeter Rebate

Rebate of \$150 for each installed submeter at apartments and mobile homes. A submeter allows measurement and billing of individual tenant water usage.

### Landscape and Irrigation Equipment Rebates

Offers rebates to convert lawns and pools to low water use landscape, and/or to convert existing irrigation equipment to high efficiency irrigation equipment.

### FREE Landscape Survey

Schedule a free landscape field survey to receive irrigation efficiency recommendations on landscape areas greater than 1/2 acre.

### FREE Water-Saving Equipment & Materials:

- High-Efficiency Faucet Aerators (limited supply)
- Restaurant Table Tents - "Drinking Water by Request"
- Hotel "Linen Reuse" Cards
- Pre-Rinse Sprayers

### Apply or learn more:

Web: [www.valleywater.org/saving-water/commercial](http://www.valleywater.org/saving-water/commercial)

Email: [conservation@valleywater.org](mailto:conservation@valleywater.org)

Phone: (408) 630-2554

Note: Equipment may be purchased and installed **after** receiving a Notice to Proceed from the Santa Clara Valley Water District. All rebates are subject to funding availability and program restrictions.
